

DSPL3 Update

15th October 2019

We have introduced this fortnightly update to keep Headteachers and SENCOs informed about what is happening in DSPL3. In order to keep it short it has links to our website so that you can just go the relevant information for you.

SENCO Conference SAVE THE DATE

[Autism:](#) 26th November, 9.30—11.30 a.m. (venue tbc)

[Cognition/SLCN:](#) 5th December, 1.00—3.00 p.m. at Presdales, Ware

Secondary SENCO Network Meeting

8 of our 14 secondary SENCOs attended our first Secondary SENCO Network meeting at Leventhorpe School last week. Whilst we were focussing on Transition and how things were going so far this year, the SENCOs had lots of useful discussion about a whole range of issues and concerns. All the SENCOs who attended found it to be useful, so it would be great to see even more SENCOs at our next meeting.

3rd December, 9.30—11.30 a.m. at Leventhorpe School, Sawbridgeworth—[click here to book](#)

Year 6 /7 Transition Event SAVE THE DATE

We are in the early stages of planning a Year 6/7 SEND Transition event on the morning of 19th May at Wodson Park, Ware. The idea is that the Secondary SENCOs all attend along with as many professionals from ISL, Amwell View Outreach, Rivers and hopefully a SALT. Primary SENCOs would then make appointments with the secondary SENCOs to discuss the children with the most complex SEND needs or those who are likely to find transition to Year 7 challenging, and in particular to think about how primary planning might translate to what is appropriate in secondary schools. The professionals will be available to offer support/guidance as and when it is needed. At this stage we would be really grateful if all primary and secondary SENCOs could Save the Date in their diaries: **9.30 a.m. - 12.30 p.m. on Tuesday 19th May**. More details will follow at our SENCO briefing in November and after Christmas.

Girls and Autism Twilight Session SAVE THE DATE

We have arranged for Charley Crowe, Complex Case Specialist Advisory Teacher to run a Girls and Autism twilight session which will be suitable for teachers and support staff working with girls Year 5 and above. The same session will be held twice: on Monday 9th December in Ware and Wednesday 12th February in Bishops Stortford. Further information, including how to book will be sent to Autism Leads later this week.

See the following two pages for dates and events that have so far been planned for the rest of 2019/20. If you require any further information about any, please email Kerry Scripps, dspl3manager@sele.herts.sch.uk
