DSPL3 Update

1st October 2019

We have introduced this fortnightly update to keep Headteachers and SENCos informed about what is happening in DSPL3. In order to keep it short it has links to our website so that you can just go the relevant information for you.

DSPL3 Working Groups

Three of our working groups have already met this term: Specialist Provision, SEMH and Targeted SEND Support Services. Click here for a summary of discussion topics and actions points from the meetings.

DSPL3 Amwell View Outreach Workshops

Our Outreach team offer a range of workshops for primary and secondary school staff and parents. They have been developed as a strategic response to themes and issues that the team have identified whilst working in schools and with families.

Let's Talk About ... DIFFERENTIATION

Let's Talk About....INCLUSION

Let's Talk About....POSITIVE BEHAVIOUR

Let's Talk About.... THE ROLE OF TEACHING ASSISTANT

The Power of....SILENCE

The Power of.... A SMILE

Transitions – Predict, Prepare, Prevent

The professional workshops fit perfectly into a staff meeting and the parents' workshops are generally held from 9.30 a.m. . The support staff workshops can fit into the school day as we understand that schools can't always afford to pay staff overtime to attend after school training.

Hertfordshire Schools' SEND Benchmark & Planning Tool Update

Hertfordshire's preferred framework for discussion about policy and provision for children and young people with SEND is the Benchmark & Planning Tool. This approach takes in to account national guidance reflected through Hertfordshire's SEND Strategy. Introduced in 2017, schools should have been using this self-evaluation tool annually to reflect on their own practice and plan next steps. DSPL3 introduced a simple Survey Monkey form that SENCOs could submit their summary data on, so that DSPL3 has an overall picture of strengths and areas for development in our schools that helps us to plan future training and support for schools. Hertfordshire expected all schools to complete the SEND Benchmark self evaluation and submit the updated data on our online Survey Monkey form by the end of September
