

DSPL3 Update

17th September 2019

We are introducing this fortnightly update to keep Headteachers and SENCOs informed about what is happening in DSPL3. In order to keep it short it has links to our website so that you can just go the relevant information for you.

Primary SEMH

Primary At Risk Meetings: Whilst we have been holding fortnightly Primary At Risk meetings for a number of years, from now Primary Headteachers are invited to come along to them as observers. The three Headteachers who attended the meeting on 11th September found it very informative about the range of need across our area.

Primary Managed Move Panels: In line with the new county procedures we held our first Primary Managed Move Panel on 11th September. Many thanks to the five Primary Headteachers who attended.

The DSPL3 Primary behaviour Executive met with Andy Stewart the new Headteacher at Rivers ESC. A summary of the discussions and action points will be sent to all DSPL3 Primary Headteachers within two weeks.

DSPL3 Working Groups

We are developing five new working groups this year to focus on different aspects of our delivery plan. These are 0-5, Specialist Provision, SEMH, Targeted SEND Support Services and Post 16. Summary of discussions and actions points from the meetings will be posted on our website. We have invited Headteachers and/or SENCOs to attend each group.
