

# DSPL3 Update

5th November 2019

This fortnightly update aims to keep Headteachers and SENCOs informed about what is happening in DSPL3. In order to keep it short it has blue links to our website so that you can just go to the relevant information for you.

## **SEND Information Reports**

It is a statutory requirement for schools to publish a SEND Information Report, which is reviewed annually, on its website. At the beginning of October Kerry Scripps, DSPL3 Manager, carried out a check of all 75 DSPL3 school websites to see if their SEND Information Reports were compliant

### 3<sup>rd</sup> October:

6 – no report on website

46 - on website but not date compliant (30 out of date , 16 no date)

23 – fully compliant

Following emails sent by Kerry, we are pleased that now....

### 4th November:

3 – no report on website

15 – on website but not date compliant (11 out of date, 4 no date)

57 – fully compliant

## **SEN Toolkit**

The first edition of the Hertfordshire SEND Toolkit has been published and the digital version is available [by clicking here](#). This newly developed resource accompanies the Hertfordshire SEND Quality Offer and the SEND Benchmark & Planning Tool. Together this suite of materials provides schools with a vision, a self-evaluation framework and now has a toolkit providing a range of resources, tools and guidance to support schools.

## **Hertfordshire Targeted Services Offer for SEND.**

The Targeted Services Offer for all specialisms was developed in partnership with specialist services, professionals in education, health and parents. It is a useful reference for SENCOs and for new and experienced professionals, which provides a description of the profile of the child, the recommended support that school could put in place and signposting on how to obtain additional support from other services. The support available from ISL's Specialist Advisory Teachers is outlined for professionals; this includes helpline telephone numbers, training and signposting to additional support from other services, including online advice and resources. [Click here for the document.](#)

## **SEND Benchmarking Data:**

A final reminder to the 23 schools that have not yet submitted their SEND Benchmarking data to do so before the 11th November. In our next Fortnightly update we will provide a summary of the our area's strengths and development needs. [Click here to check whether or not your school has submitted its data.](#)

## **DSPL3 Website:**

A new page has been added to our website: [SENCO Toolkit](#). The intention is to have a central place where useful and relevant DSPL3 and Hertfordshire SEND documents can be found. We are happy to take suggestions about what should be there , so let us know if there are any go-to documents we should include.

---

See the following two pages for dates and events that have so far been planned for 2019/20, **recent changes/additions are orange**. If you require any further information about any, please email Kerry Scripps, [dspl3manager@sele.herts.sch.uk](mailto:dspl3manager@sele.herts.sch.uk)
