

  
Returning to school

      
I can go back to school to do my learning.

     
Things may be different. Some of my teachers and friends may be

  
at home.

        
I may come in late or go home early. This is OK.

      
If I feel sad or upset, I can talk to a teacher.

    
If it is too noisy, I can find a quiet space.

       
My teachers and friends will be happy to see me.
